

ROAN NEWSLETTER DECEMBER 2022

President's Report

Welcome to Summer and our new look and informative Newsletter which you can expect to receive every quarter.

We will keep you up to date with the new look Point Score and include photos and articles of our members with their roan ponies and horses. We would like to ask our members to help advertise any shows in their area with roan classes. If you have shows near you with roan classes, please let others know by putting the show details on the Facebook page.

So, a little reminder, if you have a show near you that don't run roan classes, either you contact them and make a request or let us know and we will follow through. Advise them we will supply classes with champion and reserve sashes.

If you would like a Point Score sheet, please go to our website and download. You will find this now covers a wider area to gain points and we encourage you to enter.

We also ask that you submit articles and photos to the Publicity Officer for our next newsletters so we can all enjoy the fun you are having with your roans. This doesn't have to be just show results.

Thank you to those members who attended our AGM in October at Freemans Reach via zoom. Being old school, I must personally admit I wasn't sure of running an AGM with what I consider "updated technology" but gee it was an excellent way of having members attend and look forward to more members joining in next year.

We would like to welcome members who have joined our committee this year and who bring with them new ideas and suggestions for the continued growth of our society and promotion of our roans.

For those committee members who have now stepped down or taken on part time roles, we thank them for all their hard work over the last few years.

For our existing committee who have been running the Roan Society since its inception, I personally thank you for all your hard work and dedication. The ups and downs of drought, fire, floods and covid have made keeping a society afloat a mammoth job but you have succeeded. Without our voluntary members our society would not exist.

Committee details, their tasks and contact information is listed below. If you have any questions or queries, please do not hesitate to contact us.

As we race toward Christmas, most shows have finished for the year. We have bigger and better plans for 2023...so watch this space.

On behalf of your Roan Committee, we wish you and your families a very Blessed Christmas and a happy and healthy new year.

Nancy Lewis

From the Publicity Officer.....

I am new to this position this year. I am going to keep our members updated through our Facebook page and regular newsletters. We want our members to contribute to these so we can all see what our beautiful roans are getting up to. If you know people with a roan horse or pony, encourage them to join the society. There are many out competing in the show ring, western arena and pony club, to name a

few, we want to hear from you. We also want to hear from the many who don't compete but enjoy their roans just as much.

I will be adding a roan profile to our newsletters so we can get to know what our members are out doing. So, if you are out having fun with your roan horse or pony whether pleasure or competing let me know. I will be contacting a few members to get things started.

The next newsletter will be out early in the new year, with competition dates, results and more.

Fran Langley

The Roan National Show was held in conjunction with the NSW Coloured Extravaganza 2022 in October at the Hawkesbury Showgrounds, Clarendon. Well done to the organisers and exhibitors. The weather was perfect.

Supreme Led Roan Exhibit: Bamborough Joaquin owned by Lian Deschamps shown by Arabela Whitby.

Supreme Ridden Roan Exhibit: Mirrabooka Mary Poppins owned by Belinder Wauch.

Champion Junior Handler: Arabela Whitby
