President's Report

Hello Roan Members,

Welcome to Autumn.

From my perspective living on the NSW mid north coast, it still feels like summer, and I am hoping for cooler weather within another month or so. So much more comfortable for working stock at home and/or taking them to shows.

My farrier reminded me the other day that this muggy heat coupled with slightly cooler evenings can produce sugar in our pastures so if you have a horse or pony that is on the "plumper" size, just keep an eye out for soreness which can lead to founder.

I am noticing a lot more roan stock being offered for sale so if you are thinking of doing this don't forget to go the roan site and download membership/registration/transfer papers; the cost is very reasonable.

www.roanhorsepony.com

Don't forget, we are always looking for people in all states who are able to donate some of their time by becoming state roan representatives and thereby further promoting our beautiful roans. Please don't hesitate to go onto the website and contact a member of the committee if you would like to help in this way.

Enjoy the nicer weather and don't forget, there are still a lot of youngstock shows out there. Make our Roans stand out.

Kindest regards,

Nancy Lewis

GlenAnn Park Roan Ponies

Lian Deschamps

Imbil, Qld

GlenAnn Park Roan Ponies was established in the Mary Valley, southeast Qld on the banks of Yabba Creek in 2019, formally Willaway Arabians (Cira 1986).

We rebranded the stud after moving back to the farm in 2017 and named it in honour of our mothers, **Glen** and **Ann**

My remarkable husband Wayne who has no interest in horses continually supports me in my dream to breed beautiful roan ponies.

My passion for the roan pony goes back a long way, when my dad brought a roan Welsh mountain pony from the Ourimbah sales in 1971. My mother led lined me at Gosford show in 1972.

2020

We bred 3 mares to Bracknell Rodrigues in 2020 for two non-roan colts and a Black roan filly.

GlenAnn Park Chantilly Lace. Black roan Arabian pony filly Bracknell Rodrigues x Barabool Golden Locket (Pendley Gold Cup (IMP UK) x Silkwood Jeni-wren by Keston Royal Occasion (IMP UK))

2021

We purchased a dilute black roan Welsh B mare Nikshar Jazmeenah (Nikshar Aladdin x Brampton Country Roase) in April 2021.

Four days later Valmai Reflections (Bracknell Rodrigues X Kyabra Park Holly Golightly), Bay Roan Arabian pony mare came onto the market, Wayne encouraged me to purchase her to added to the team.

2022

In October 2022 we tracked to Sydney for the Roan Nationals it was a long and rough trip with a truck and 4 horse float and came home and ordered a gooseneck.

If you see us please come and introduce yourself.

We added the cheeky but gorgeous Welsh A gelding Woranora Nelson (Imperial Behold (IMP UK) x Woranora Nia) aka Neil to our show team.

Purchased our Stud Sire: Bamborough Joaquin (Thistledown Wicked (IMP UK) x Bamborough Julienne) successfully shown in Western Australia, for Champion Welsh Colt/Stallion, Junior Champion Welsh Pony, Supreme Champion Welsh Pony, Winner of the Emlyn Award Supreme Welsh Exhibit, Winner of the Drumclyer Award – APSB/Connemara/Welsh Champion of Champions.

We finished 2022 on a high with Australian Champion Roan Stallion, Australian Champion Roan Mare, Australian Champion Supreme Exhibit. Queensland High Point Senior halter horse and Queensland High Point Junior halter horse.

2023

Unfortunately, in April 2023 I torn the meniscus in my left knee and spent 4 months on crutches and we decided not to make the trip down south for the 2023 Nationals.

Over the Christmas/ New Year break we have been busy making Roany Ponies with mating's of Bamborough Joaquin to Nikshar Jazmeenah, Valmai Reflections and Willaway Front Paige, looking forward to 2024 foal crop.

I am currently the Vice Chairperson and the Point Scorer for the Roan Horse and Pony Society Inc.

Please consider registering your Roan Horses or Ponies with the society and enter our Point Score competition – the competition is free, and the nomination forms are on the Roan Horse and Pony Society Inc website.

Any Queensland members please contact me so we can arrange classes for Queensland Shows. 😊

We are eagerly looking forward to the 2024 show season to get out and about and showcase our beautiful roan ponies, meeting with new members/friends/family.

Kindest regards,

Lian Deschamps. 😊

Roan Profile: Bracknell Rodrigues

Rodger as he is known, is a 14.1 & 7/8th part bred Arabian gelding, by the spectacular purebred stallion Gai El Jullyen (dec).

He is cheeky, funny and always has you laughing.

Rodger has previously sired 4 foals, 2 roan fillies and 2 solid colts. He certainly puts his stamp on his foals.

Rodger himself has a large list of accolades. Being predominately an Arabian show horse, in hand and under saddle. Winning East Coast, State Titles and Australian Championships. He has often been lent to international competitors who needed a loan horse. Rodger is also no stranger to the dressage arena, with him competing to Advanced.

Rodger as of 2023 has been campaigned as an open hunter and showing his versatility attending pony club, jumping, doing sporting, mounted games, and archery. He was also on the NSW pony club musical ride team.

Rodger met his now jockey, Ella Charles, 4 years ago. It was love at first sight for Ella, for Rodger it was another person with a pocket of treats.

Fast forward 4 years and Ella has taken over the reins and Rodger is leading the next generation to the awards.

He carried Ella to her first state pony club championship in 2023 and has had 2 top 8 placings. The pair have qualified for the 2025 royals.

On competition day you can find Rodger escaping his yard or eating red jelly snakes and having a can of coke. His 3 least favourite things,

1. Rain and getting wet.
2. Velcro on his boots or rugs.
3. Bells and sirens

News.....

We had our AGM late December via zoom. This means our committee and members from different states can attend the meeting. The committee remains the same, with Lian Deschamps as Vice Chairperson now. We would like to welcome Anne Stephenson to the general committee.

Welcome to our new members that have recently joined the society.

Most states have been busy with shows since Christmas, Victoria is winding down now while Queensland are in full swing. There are still plenty of competitions happening away from the show ring, with pony club events, dressage, jumping and the many events in the Western horse arena. Foal shows are not far away with foals about to be weaned. Time to get your roan foal registrations in.

Don't forget to fill out the pointscore competition entry form as you go. It can be found on the website. Start sending in your results to Lian so she doesn't receive everyone's all at once. If you have any questions about the competition, please ask.

Roans are becoming more noticed with people talking about them. There has been several advertised for sale recently. We will share these ads on our Facebook page. Some are not registered with the Roan Society, so this is an opportunity to encourage new members and new registrations.

Don't forget we have new banking details. All forms on the website have the new account number on them.

Most importantly remember to have fun and enjoy your roan horses and ponies.

Kind regards, Fran Langley

Publicity Officer.
