

ROAN NEWSLETTER SPRING 2025

Welcome to Spring, Roan Members,

Some typical spring weather across the country, beautiful warm days and then back to winter conditions, for the southern states at least.

We had a successful AGM last month via zoom, thank you to all the members that attended. All committee members were re-elected to their positions.

Calendar BIG reminder...

Our NSW Roan National Show to be run at Hawkesbury Showground on Saturday 25th October in conjunction with the Coloured Extravaganza. Please read on for further information and links to enter our show. We would really love to see a huge turnout of led and ridden roans.

Delving back in time.... I recently found the following to be very interesting and quite uplifting and thought I must share this.

Recently, whilst going through old files of the Roan Society, the thought struck me that our association must have been operating for around 10 years, maybe a little longer as time gets away from us....

I was staggered to come across our first set of minutes, 23rd May 2009, held at Freemans Reach and 8 "roan loving" people turned up for the meeting. See attached photo.

A society for Roan horses & ponies was started in 1988 but did not proceed due to lack of assistance.

So, we have been operating for just over 16 years; I find that quite inspirational as I am sure you, our members, will agree.

Original Committee Positions Held:

President: Helen Dohan

Vice President: Lesley Dowey

Secretary: Kerrilyn Papworth

Registrar: Helen Dohan

Treasurer: Lesley Dowey

Public Officer: Nancy Lewis

Minute Secretary: Margaret Butler

Committee: Debbie Bennett, Jenine Rowe, Jacqui Langfield

Please go to our website: www.roanhorsepony.com for the current committee.

If it wasn't for those loyal, hardworking committees giving their all for our Roan Association between 2009 to 2025 we wouldn't be making the mark on the equine world we are today.

I thank all our past and present committee members for their dedication and foresight.

Thanks also to our Roan members for being part of this exciting little association, for your continued support and belief in our goals.

These days, with many downhill changes occurring within the horse industry, problems being encountered in the economy, etc. I don't think we are doing too badly; we may not be one of the major societies, but our association continues to grow and prosper; isn't that what it is all about...

Our Roan horses & ponies are competing at all levels. We are being awarded in not only roan classes but in the open field and achieving top awards. We are breeding outstanding stock in all sizes and colourings. The popularity of the Roan association continues.

Kindest regards,

Nancy Lewis (President)

VALE

Kenda Park Celebration 10/10/2002-11/08/2025

Kenda Park Celebration was a dilute black roan Welsh Mountain Pony. She was out of Arielen Ceridwen by Imperial Mendel.

She was registered with the Roan society in 2009

A very sad goodbye to one of the sweetest mares I have owned.

Known as ‘chops’ to her previous owners, to me she was Sal.

Sal had a beautiful kind nature, with a touch of attitude if she thought it was required. She loved attention and was the first to call out each

morning. A fantastic mum too, protective of her foals but trusted me enough to let me near them.

Bred in NSW by Cassie Middleton, then leased and sold to Sally Larkin in Victoria, where she did very well in the show ring with her highlight winning a Welsh Pony & Cob Society medal for Supreme Welsh In Hand at the Southern Pony Classic in March 2004 as a yearling.

Sal then moved to Tasmania where she was sold to Michelle Shepherd. She was purchased by myself, Fran Langley, Stormview Welsh Mountain Pony Stud, from Michelle in 2018.

Sal has had 1 colt and 3 fillies for me, as well as 3 fillies for her previous owners.

In 2009 she was colour tested, carrying one copy of the roan gene, giving a 50% chance of each of her foals being roan. She has 7 registered foals with Welsh Pony & Cob society, all 7 are roan.

3 of her progeny have been registered with the Roan society, 2 more about to be done. Sal is also the grand dam of 2 other ponies registered with the society. Fingers crossed that the fillies she has given me continue to pass on roan.

When I purchased her, she was almost blind in one eye, the result of a previous injury, eventually going completely blind in that eye. Having sight in only one eye never caused her any issues, she learnt to adapt very quickly.

Unfortunately, Sal foundered last spring, prior to foaling, and never recovered fully.

Pointscore

Well done to all the members that entered the Pointscore competition. Congratulations to the winners. Some of the results were extremely close.

The presentation will take place at the Roan Nationals this month. For those not attending or from interstate, you will receive your sash and certificate in the mail.

Victorian members will have a small presentation at one of the agricultural shows in November, like last year. We would love to see some photos of the winners, to be added in the next newsletter and on our Facebook page.

We are currently making some changes to the pointscore entry form, to make it more user friendly. It will be available on the website shortly. There is also a new email address for entries to be sent to. It is roanresults@outlook.com

Publicity Officer

Congratulations to all the Pointscore winners. Thank you to those that entered. Thanks also go to all our members who are out and about with their roans. This is the best way we can promote our society. Social media is another great way of promoting. I regularly get tagged or mentioned in anything roan related.

Our Facebook page is for everyone to use by adding photos of your roans out competing, or having fun at home, and for sale ads. Stallions standing at stud and new foals born this season are very welcome too.

With the show season under way in many states, keep an eye out for shows with roan classes in their programs. Please share on our Facebook page if you know of any.

For those that show your roans, please continue to support the classes at agricultural and breed shows.

The Roan Nationals, held in NSW are only a few weeks away. The program is attached.

ADDITIONAL RULES & REGULATIONS

Buckskin National:

- Only Buckskins Horses & Ponies registered with the Buckskin Horse Association of NSW or the National Buckskin Society (Vic) & South Australia Buckskin Association or WA Buckskin Society are eligible to compete. Buckskins resident in NSW must be registered BHA-NSW (They can't live here & show on Victorian papers). Horses must be shown in the name of the recorded owner who must be a member for 2024
- All Buckskins must be Foal Recorded or Adult Registered to compete. Foal recording lapses when a Buckskin reaches the age of 4yrs as at the 1st August or is gelded, whichever occurs first. Should a Buckskin no longer be eligible for registration ie grey or roan, it will not be eligible to compete.
- All entries in the Buckskin National Junior handler/rider classes must be members of the BHA, Stud or Family membership.

Dun Factor Class Rules:

- In a Dun Factor class the judge is looking for the most & the strongest Dun Factor characteristics. The horse with the most number & most prominent Dun Factors will be the winner of the class. Where 2 horses are equal then marks shall be deducted for white markings on the legs. Should horses still be equal then marks shall be deducted for white on the face.
- Conformation is not considered & the horse is judged standing only.
- Examples of Dun Factor:
Dorsal Stripe – A true dorsal stripe is prominent with well-defined edges running into the mane & tail & usually widening slightly over the loin area. It must not be confused with

counter shading which is the less defined stripe sometimes found on Buckskins.

Leg Barring – Horizontal stripes on the front & hind legs usually found at the back of the forearm & front of the gaskin.

Shoulder Barring – Distinct dark area extending vertically down from the wither.

Mottling – Mottled areas found on the forearms, sometimes in the wither area & sometimes hind legs.

Face Mask – A darker area on the front of the face.

Ear Tipping – In a dun the top 1/3 x 1/2 of the ear will be darker color unlike a Buckskin where only the edges of the ear is tipped.

Back Barring – Vertical lines extending down off the spine.
